March 24, 2020

Dear University Village Residents,

As a result of the continuing escalation of the COVID-19 virus, orders from the Governor of Virginia were distributed on the afternoon of March 23, 2020. Upon receipt of the orders, Association management confirmed with the Association legal counsel and insurance carrier to confirm that they apply to UVOA. To be in compliance with these orders, the Board of Directors has further modified Association operations.

Common areas and amenities. Robyn Price's Beauty Shop located on the first floor of the building has been instructed to cease operations. The order is in effect for 30 days and will be re-evaluated at that time. Robyn has indicated that she will cease operations at the close of business this Thursday, March 26.

Common areas and amenities. Buckingham Greenery has been instructed to cease plant maintenance operations for the immediate future. The order is in effect for 30 days and will be re-evaluated at that time.

This Association will not and does not make any of the decisions mentioned above lightly. These actions are being taken to ensure the health and welfare of the residents of this community.

Thank you for your cooperation and understanding. Stay safe and healthy.

Sincerely,

Mary Reiman,
President

UVOA Board of Directors
