Transportation

CATS and JAUNT

Charlottesville Transit System and Jefferson Area United Transit

Nearest Charlottesville bus stop is near 7-11 on Ivy Road
Since that is within 3/4 mile, U Village is considered served by public transit and we can use JAUNT only after filling out a form to explain why we cannot get to the regular bus stop. [Form is attached and is available on JAUNT web site. It does not require a physician's signature. Mimi Rabois can coach residents, as she uses JAUNT. The steepness of the Crestwood hill without sidewalk may help qualify us but it's not automatic. Service is available until 11 p.m. Call 434 296 3184

University Transit System

UTS, has bus stop near intersection of Leonard Sandridge Drive and Massie Road. Buses go to and from Barracks Road shopping center and throughout UVA grounds. We can use this system without charge or any particular identification. Service on "holiday schedule" until further notice. See website for updates.
Service has stopped with the CV-19 but when running it is free to anyone to pick up at 2420 Old Ivy Road, to go into the Grounds and UVA hospital (Lane Road) or out to a park and ride lot on 250 West. For updates call 434 924 7231.

Taxi cabs

According to Yelp, all the companies have good and bad marks in the riders' comment pages.

iTaxi (434) 327-6622

Charlottesville Transportation (434) 466-8465

Yellow Cab (434) 295-4131

Herring's Shuttle (434) 987-1206

College Cab (434) 327-9153

uber.com You need to download an app on your smartphone and set up a payment method, usually your credit card. No cash is needed. Each trip starts with an estimated cost and a page that shows where nearby cars are, and a time the driver will reach your location. Tip: don't call until ready to step out the door as they only wait a couple of minutes when they arrive. You are given a photo of the driver, a name, description of the car, license #, and the car has "Uber" sign in front window. Example of cost: \$13 to Court Square for 1 to 4 riders today.

lyft.com Same as Uber. Today that same trip (to Court Square) costs \$12.49, up to 4 riders, should take 16 minutes, and car will be at our door in 5 minutes, with 5 cars waiting for our business. Sally & George Thomas have used Lyft here and in other cities, if you want coaching.

Prepared Food Delivery

Feast! on West Main Street (434) 244-7800
